A Little Advance Notice Please!

- Let us know of issues you're working before day 14 of the teleconference.

Elevate, Elevate, Elevate

- If you're not getting what you need, elevate the issue – if not, you share the blame for bad reporting that results.

Remember Others

- Share your Successes and your Pitfalls
- There are things we just don't know – we can't deal with problems we don't know exist.
- What we don't know can hurt us.

There Are No Secrets

- In accounting nothing stays hidden for long...
